*Lake Edward Resort* is a small, quiet, family fishing resort on Lake Edward, which is located just 12 miles north of Brainerd. Our spring-fed lake has clean, clear water with an abundance of walleye, northern, bass and panfish.

The resort grounds are level with the lake, no steep banks or stairs to climb. Our housekeeping cabins are very clean and provide a clear beautiful view of the lake. Enjoy fantastic sunsets while sitting on your cabin deck or screened- in porch. Evenings may be spent gathering around a campfire, gazing at the moon and stars, or in the game room playing pool cards or board games.
